# Housing Application

**Please read the following notes before completing this application**

1. You should use this application if you are applying for social housing in Northern Ireland (with the exception of accommodation let on a non-permanent basis); this may be provided in the form of an introductory or secure tenancy by either the Housing Executive or one of the government registered housing associations (which are simply referred to as housing associations in the rest of this form).
2. The Housing Executive and housing associations have agreed that all housing applications should be assessed in the same way. The completion of this single application means that your application can be considered by many of the social landlords (the Housing Executive and housing associations) in your preferred areas (see note 7).
3. Some social landlords provide specialised accommodation, such as supported housing for those with special needs. All social landlords use this application for their specialised accommodation as well as their general housing.
4. Returned applications will be acknowledged by the appropriate office. Please note it may be necessary to contact you by telephone to obtain more information or further details.
5. As you are living outside Northern Ireland we will not be able to visit you in your home. You should therefore include sufficient information relating to your circumstances to enable a proper assessment of your housing need to be carried out. If you only wish to be housed by a particular landlord this will not affect the assessment.
6. In order to process this housing application, you must supply proof of identity. This may consist of one of the following documents: UK Driving License with a photograph (current and valid), current passport or National Identity Card.

If none of the above is available, two or more of the following should be produced: Benefit Payment Book, Birth Certificate, Credit Cards, Utility Bill (previous quarter), Medical Cards, recent Bank Statement/Wage slip, Marriage Certificate etc. Only photocopied evidence should be posted.

7. Information you provide will be placed on a computerised Waiting List and may be seen by any social landlord who participates either now or in the future. This does not affect your rights under the General Data Protection Regulations or UK Data Protection legislation. In order to comply with Data Protection requirements, the Housing Executive has prepared an information leaflet which is available at your local district office / housing association.
8. The Housing Executive and housing associations strive to ensure complete fairness in the treatment of all households and individuals in the provision of housing for those in need regardless of political affiliation, religious belief or racial group. It is important therefore that we collect basic information on the racial and religious compositions of households for monitoring purposes. When completing the sections on Racial Group and Religion please indicate which best describes you.
9. In addition to this application you should receive a booklet giving general information about the Executive and each housing association, and a booklet called "The Housing Selection Scheme" which explains how your needs are assessed. Your housing need will be assessed in the same manner as all other applications under the Housing Selection Scheme and you will be awarded points accordingly and registered on the Waiting List. You will receive a letter to confirm your points on the Waiting List.
